

The diagram shows a rectangular layout with several colored lines and arrows. A central vertical green line divides the layout into two equal halves. Two additional vertical green lines are positioned further out, one on each side of the center. A horizontal blue line runs across the top of the layout. A horizontal red line runs across the bottom of the layout. Arrows point from the text labels to their respective lines: two arrows point from the top text to the vertical green lines, and one arrow points from the middle text to the horizontal blue line. At the bottom, two horizontal double-headed arrows indicate the width of the foldable sections.
