

The diagram shows a rectangular layout template. It features two vertical green lines representing fold lines, one on the left and one on the right. A horizontal blue line with arrows at both ends represents the safety line. Two diagonal arrows point from the top center towards the top corners, indicating the cut line. Text labels explain the function of each line: the red text 'RED LINE IS THE CUT LINE' with a subtitle 'THIS IS WHERE THE FINISHED PRODUCT WILL BE CUT' points to the top edge; the blue text 'BLUE LINE IS THE SAFETY LINE' with a subtitle 'ANYTHING THAT IS NOT GETTING CUT MUST BE INSIDE THIS BLUE LINE' points to the horizontal blue line; and the green text 'GREEN LINES ARE THE FOLD LINES' with a subtitle 'THIS IS WHERE THE JOB WILL BE FOLDED' points to the vertical green lines. At the bottom center, the finished and bleed sizes are listed.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

GREEN LINES ARE THE FOLD LINES

THIS IS WHERE THE JOB WILL
BE FOLDED

FINISHED SIZE- 9.03125 x 12
WITH BLEED- 12.125 x 18.125
