

The diagram shows a rectangular layout for a 3x5 inch card. It features two concentric rectangles: an outer red line representing the cut line and an inner blue line representing the safety line. The area between the lines is a light gray, while the inner area is white. Two arrows point from the top text towards the top corners of the red line. A long horizontal arrow points from the left text to the left edge of the blue line, and another long horizontal arrow points from the right edge of the blue line to the right text.
