

The diagram shows a rectangular card layout with three vertical lines: a blue safety line on the left, a green fold line in the center, and a red cut line on the right. A black bleed line is at the far right edge. Arrows point from the text labels to their respective lines. The card is divided into three vertical sections: a left section, a central section, and a right section. The central section is the narrowest, flanked by the wider left and right sections. The fold line is positioned in the center of the card, and the cut line is positioned to the right of the fold line. The bleed line is at the far right edge of the card.
