

The diagram illustrates a rectangular layout for a finished product. It features a central white area surrounded by a light blue border. Two vertical green lines are positioned symmetrically from the center, representing fold lines. A horizontal blue line runs across the middle, representing the safety line. Two diagonal grey arrows point from the top center towards the corners, indicating the cut line. Text labels with arrows point to these lines: 'RED LINE IS THE CUT LINE' (pointing to the diagonal arrows), 'BLUE LINE IS THE SAFETY LINE' (pointing to the horizontal blue line), and 'GREEN LINES ARE THE FOLD LINES' (pointing to the vertical green lines). A horizontal double-headed arrow below the fold lines indicates the width of the fold area. At the bottom, the finished size and bleed dimensions are specified.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

GREEN LINES ARE THE FOLD LINES

THIS IS WHERE THE JOB WILL
BE FOLDED

FINISHED SIZE-3X6.5
WITH BLEED-6.625X9.125
