

The diagram shows a rectangular template for a book cover. A vertical green line runs down the center, representing a fold line. Two diagonal lines extend from the top edge towards the center, meeting at the top of the green line. A horizontal blue line is positioned below the top text, and a horizontal red line is positioned below the blue line. Arrows point from the text labels to their respective lines: two arrows point to the red line, one points to the blue line, and one points to the green line.
