

The diagram shows a rectangular layout with three main lines: a red line at the top and bottom, a blue line in the middle, and a green line on the right side. Arrows point from the text labels to these lines. The red line is the outermost, followed by the blue line, and then the green line. The area between the red and blue lines is the 'finished with bleed' area. The area between the blue and green lines is the 'safety' area. The area to the right of the green line is the 'fold' area.

RED LINE IS THE CUT LINE

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

GREEN LINE IS THE FOLD LINE

THIS IS WHERE THE JOB WILL
BE FOLDED

FINISHED
WITH BLEED
