

The diagram shows a rectangular layout with a red border. A horizontal blue line with arrows at both ends runs across the middle. Two vertical green lines are positioned on either side of the center. Two diagonal grey arrows point from the top center towards the green lines. Text labels are placed near these lines to explain their function: the red line is the cut line, the blue line is the safety line, and the green lines are the fold lines. Dimensions for the finished and bleed areas are provided at the bottom.
