

The diagram shows a business card layout with three main horizontal lines: a red line at the top, a blue line in the middle, and two green lines at the bottom. The red line is the outermost, followed by the blue line, and then the green lines. The area between the red and blue lines is the bleed area. The area between the blue and green lines is the safety area. The area between the green lines is the fold area. The text 'RED LINE IS THE CUT LINE' is written in red above the red line. The text 'THIS IS WHERE THE FINISHED PRODUCT WILL BE CUT' is written in grey below the red line. The text 'BLUE LINE IS THE SAFETY LINE' is written in blue above the blue line. The text 'ANYTHING THAT IS NOT GETTING CUT MUST BE INSIDE THIS BLUE LINE' is written in grey below the blue line. The text 'GREEN LINES ARE THE FOLD LINES' is written in green above the green lines. The text 'THIS IS WHERE THE JOB WILL BE FOLDED' is written in grey below the green lines. The text 'FINISHED SIZE- 2.85 x 8.5' and 'WITH BLEED- 8.625 x 7.625' is written in grey at the bottom. Arrows point from the text to the corresponding lines: two arrows point from the red line text to the red line, one arrow points from the blue line text to the blue line, and two arrows point from the green line text to the green lines. A long double-headed arrow spans the width of the card between the blue and green lines.
