

The diagram shows a rectangular layout with two concentric borders. The outer border is red and represents the 'cut line'. The inner border is blue and represents the 'safety line'. The area between the red and blue borders is the 'bleed'. Two arrows point from the text 'RED LINE IS THE CUT LINE' to the red border. A long double-headed arrow points from the text 'BLUE LINE IS THE SAFETY LINE' to the blue border. At the bottom, the finished size and size with bleed are specified.
