

The diagram shows a rectangular card template with rounded corners. It features three horizontal lines at the top: a blue line, a red line, and a black line. Arrows point from each line to its respective label. The blue line is the outermost, followed by the red line, and then the black line. The text below each line explains its purpose: the blue line is the safety line, the red line is the cut line, and the black line is the bleed line. The bottom of the card contains the finished size, the size with bleed, and the corner radius.
